

The "Love of Your Life" Program

In-Person or
Live Virtual

The "Love of Your Life" Program is for loving and caring single adults who have found it difficult to meet high-quality, compatible partners. We help them meet the love of their life!

When you enroll in the program, we will become your love advocates. We will begin by creating your "Love Profile" and "Love Map" (details below). We will ask you... and encourage you to ask yourself... probing questions as to who would be compatible.

Once your "Love Map" is complete, we will be continuously available to keep you on track.

1) We will help you increase your readiness to receive the greatest level of love... that you've ever known, and 2) We will help you to recognize which of your behaviors are increasing the love in your life, and which of your behaviors are not.

1. Creating Your "Love Map" Intensive

During your first month, you will be invited to do two things:

- 1) Complete your private "Love Profile" and
- 2) Attend a 2-day intensive (live or virtual) where you will be guided through a 4-step, proven process that will result in your personal "Love Map."

After your intensive, you will come away with a completed "Love Profile" and "Love Map."

NOTE: If you have any scheduling difficulties, we will work with you to complete your "Love Map" Intensive, as early in your program as possible.

2. Easily Accessible "Love Map"

Once your "Love Map" is complete, you will have the perfect foundation to succeed quickly. Having your "Love Map" easily accessible (via an on-line or transportable copy) is supportive in many ways.

Some of the most popular reasons we've seen so far are: *"It made it easier to decide who to date."* *"It gave me permission to flirt."* *"It gave me incentive to date for a longer period of time, before becoming intimate."* *"It helped me to know when to say "no" and when to exhibit stronger boundaries."*

3. Private "Facebook" Group

Safely share your dating intentions and successes with other loving and caring singles. Begin to experience the type of unconditional support... that you will soon have, when the "Love of Your Life" arrives.

- Share your successes... so teammates will be inspired...
- Share your successes... to get in the habit of focusing on successes...
- Share your intentions... so you can claim what's yours...
- Share your intentions... so teammates will be able to support you...
- Share your experiences, and your growth... so you can anchor your learning.

4. "Love Life Angel"

Have you ever felt like your love life was a disaster and you just needed someone to provide loving support (not bad advice)? One of the keys to having a successful love life is to have the capacity to give and receive love and support. After you are registered for the "Love of Your Life" Program, you will be assigned a "Love Life Angel."

You will both act as "Love Life Angels" to one another. Your main job is to encourage one another and cheer each other on... in a way that feels supportive to the other person. The capacity that you and your partner have... to give and receive love and support... will be a clue... to your overall abilities to give and receive love.

(We have found that how you show up here is often the same as how you show up in the rest of your life.) NOTE: We will reassign "Love Life Angels" when necessary, on a limited basis.

5. Monthly Facilitated, Experiential Sessions:

If you are annoyed with your dating life or the low number of compatible partners that you have to choose from, you may be creating barriers between you and the "love of your life." If you believe that the LOVE OF YOUR LIFE does exist and that he or she is also looking for you, YOU TWO WILL UNITE.

- ♥ **Defining Your Love MINDset** 60-90 Minute - In-Person or Live Virtual Group Sessions
Each month Victoria will facilitate interactive exercises to help you quickly discover if your mindset is serving you... or hindering you... from the "LOVE OF YOUR LIFE." She will offer you techniques to having a healthy "Love Mindset."
